Above are minimum hardware requirements for donations to the Beverly Hills Unified School District. If your hardware does not meet our requirements, we are unable to accept the donation. All donations must be in good working order. All donations must go through the District Office, Business Services Department, and then recommended to the Board of Education for acceptance. Once all of the requirements have been met a letter will be written stating the donation and the value placed by the person(s) making the donation. We do not place value on items. The District has the right to place the donation at any site.
